

Steps of Establishing a Kabushiki Kaisha Company in Japan

1. Decide Company's details (approximately 2 weeks)

- You complete the Enquiry Forms
- You provide us with copies of you and your co-founder's ID's;
- We draft necessary documents for your approval
- You pay our professional fees
- We send you original documents for signing/stamping
- You provide us with signature certificate/certificate of registered stamp
- You create the Company seal

2. Notarization of Company's Article of Incorporation (approximately 2 weeks)

- Notarization of Articles of Incorporation
- You open a bank account in a your or your co-founder's name
- You transfer at least 5 million yen capital into the bank account showing background of the fund (the more the better for visa application)
- You provide us with required documents
- We register the Company seal

3. Preparing for Company Operation (depending on your circumstances)

- You open bank account under Company's name
- Report to the Bank of Japan
- Tax
- Report to Labor authority
- Find business office
- Conclude a Lease Agreement for the business (lease term of more than one year if visa application is intended later)
- Obtaining any necessary license for business operation

4. Change the registered address of the Company

5. Option: Visa Application
